Comments About Your Information

Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 00117. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

WHAT YOU MUST DO NOW (Use the checklist below to make sure that all of your issues are resolved.)

The Social Security Administration did not confirm that you are a U.S. citizen. Provide your financial aid office with documentation of your U.S. citizenship (such as your U.S. Passport, Certificate of Naturalization or Birth Certificate). If the documents support your status as a U.S. citizen, the financial aid office at your school will make a copy of your documentation and can continue to process your federal student aid. If you are an eligible noncitizen, you or your school must submit a correction to Item 14 to indicate that you are an eligible noncitizen and also provide your Alien Registration Number in Item 15. You and your school will receive a new SAR/ISIR within three processing days with results from the Department of Homeland Security about your eligible noncitizen status.

Be sure to review the items marked with a 'h' and make any corrections if necessary by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page.

You changed the answer to your parents' income, income taxes paid, or exemptions. If your parents have completed their 2011 tax return, you should also change the answer to the tax return question (Item 79) to indicate their tax return has been completed by clicking 'Make FAFSA Corrections' on the 'My FAFSA' page. If your parents filed a federal tax return with the IRS, they may be eligible to use the IRS Data Retrieval Tool, which is the best and easiest way to provide accurate tax information. With just a few simple steps, your parents can view information from their IRS tax return and transfer that information directly into your FAFSA.

If you need to make corrections to your information, click 'Make FAFSA Corrections' on the 'My FAFSA' page. You must use your Federal Student Aid PIN to access your record online. If you need additional help with your SAR, contact your school's financial aid office or click the 'Help' icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 00117, you may be eligible to receive a Federal Pell Grant of up to \$5,400 for the 2012-2013 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.

Your Financial Aid History Information

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can use your Federal Student Aid PIN to view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site at www.nslds.ed.gov. For more information about your PIN, go to www.pin.ed.gov. If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our studentaid.ed.gov Web site.

Note that the 'Subsidized' and 'Unsubsidized' amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for 'Unallocated Consolidation Loans' it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).
