Enjoy more attractions with Disney's FASTPASS!

This free service lets you shorten your time waiting in line by giving you a specific time to return to the attraction. You can enjoy other areas of the Park until your return time.

How to get and use a FASTPASS Ticket with a Disney's eTicket Passport

1 Fold your Disney's eTicket Passport in eighths so that the 2-dimensional code is clearly visible. With the 2-dimensional code facing up, insert your Passport into the FASTPASS ticketing machine.

2 When it lights up in green, pull out your Passport. The FASTPASS Ticket will be issued. Please take it from the dispenser.

3 At the time printed on your FASTPASS Ticket, go to the attraction's FASTPASS Entrance.

· Depending on operating conditions, there may be days or times that FASTPASS tickets are not issued.
